Seller agrees that shipment of materials against this P.O. constitutes certification that all articles or goods included in this shipment conform in all respect to the applicable requirements, specifications, and drawings. Seller will make process control data, inspection, and test reports covering the articles or goods and their parts available for review and subject to examination by ZB or its authorized representative to verify conformance to such applicable specifications and drawings. Termination under this provision shall not be deemed a breach of contract. The provisions of this paragraph shall not limit or affect the right of ZB to terminate this order for cause and shall not apply to a termination with cause. Seller shall mitigate its claim to the maximum extent, and in any event no claims shall exceed the lesser of fair market value or actual cost of raw materials and work in progress material which Seller shows cannot be diverted to other uses. No claim shall be asserted or honored for loss of expected profits, or for any consequential or incidental damages, due to cancellation.

12. Price Adjustment. ZB will not accept shipment at any increase in price above that indicated on this order. Any general price decrease announced by Seller in classification of equipment and/or materials similar to the items described on this order shall automatically reduce the price thereof by a comparable percentage.

14. Terms. Payment terms applicable to this order shall be Net 30 from delivery and acceptance by ZB of materials, goods or services defined in the purchase order, unless otherwise agreed to in the purchase order. All schedules of payments above stated are based upon receipt by ZB or shipment f.o.b. source, whichever is applicable as indicated on the face hereof, of the goods or services prior to scheduled payment date. If ZB receives the invoice prior to such shipment or receipt of goods or services, the foregoing terms on this order shall be measured from date of such receipt of shipment of goods rather than date of receipt of invoice.

16. Time of Delivery. The delivery dates indicated by ZB for the articles, material or work to be supplied under this purchase order are of the essence. Failure to meet agreed upon delivery shall be considered a breach of the contract; furthermore, Seller agrees to pay to ZB any penalty and damages imposed upon or incurred by ZB for failure of Seller to deliver articles, materials, or work on such delivery dates. Unless otherwise agreed in writing, Seller shall not make commitments for material or production in excess of the amount or in advance of the time necessary to meet ZB's delivery schedule. It is the Seller's responsibility to comply with this schedule, but not to anticipate ZB's requirements. Goods shipped to ZB in advance of schedule may be returned to Seller at Seller's expense. All truck shipments must be classified by Seller using the current "National Motor Freight Classification Tariff". Each box, crate or carton will show ZB's full street address (not just post office box numbers) and purchase order and item numbers regardless of how shipped. On small parcel shipments, a packing list shall accompany each container and

shall describe the contents of that container. On other shipments, Seller will provide a packing list to accompany each shipment, referencing the appropriate purchase order and item number. The bill of lading also will reference the purchase order and item number. Seller is responsible for packing any shipment correctly based on the carrier/mode utilized. Charges for packing and crating shall be deemed part of the purchase price, and no additional charges will be made therefor unless specifically requested by ZB on the purchase order. Seller agrees to ship via the carrier specified by ZB. Failure to ship via ZB specified carrier will subject Seller to misroute debit. All premium freight cost incurred by ZB or Seller beyond that specified by ZB shall be borne by Seller.
